The purpose of this modification is to amend Attachment J-4, Section A, CONTRACT FEE EVALUATION (FEP) to include the following award fee provision marked in **BOLD**.

1. The following provision shall be included in Attachment J-4, Section A CONTRACT FEE EVALUATION (FEP) (incorporated into the contract by reference).

"Award Fee Provision

In addition to the above evaluation criteria, the evaluation will consider the impacts of a major breach of safety or security. These are defined as follows:

(1). A major breach of safety consists of an accident, incident, or exposure resulting in a fatality or mission failure; or in damage to equipment or property equal to or greater than \$1 million; or in any "willful or "repeat" violation cited by the Occupational Health and Safety Administration (OSHA) or by a state agency operating under an OSHA approved plan.

(2). A major breach of security may arise from compromise of classified information; or illegal technology transfer; or workplace violence resulting in criminal conviction; or sabotage; or compromise or denial of information technology services; or damage or loss greater than \$250,000 to the Government; or theft.

For evaluation purposes, an overall fee determination of zero may be made for any evaluation period in which there is a major breach of safety or security, regardless of contractor performance in the other evaluation factors. In evaluating a major breach of safety or security, factors leading to the breach as well as the contractor's subsequent actions will be taken into consideration."
